INTERVIEW SUMMARY

Applicant submits the following summary of the telephonic interview conducted on August 14, 2007 between Examiner Moorthy and the undersigned agent. No fees or dues should be required for entry of this summary. However, if any fees or dues are required for entry of this summary, the Commissioner is authorized to charge them to IBM's Deposit Account 09-0461.

The Examiner called the undersigned agent and stated that he would allow the pending provided an amendment was made to correct an antecedent basis problem in claim 15. Accordingly, the undersigned agent and the Examiner agreed that the Examiner would amend the phrase "a key message" in line 8 of claim 15 to be "a an encrypted key message." The amendment merely corrects a minor informality and does not narrow the scope of the claims.

Accordingly, the undersigned agent thanks the Examiner for his time in this matter. All pending claims are now in condition for allowance, and Applicant respectfully requests as much.

Respectfully submitted,

COATS & BENNETT, P.L.L.C.
